### Grensovergangen in de republiek Belarus:

(Te gebruiken indien quarantainegoederen voor de Russische Federatie via Belarus worden ingevoerd.)

De **vetgedrukte** grensovergangen (uit de middelste kolom) mogen worden overgenomen op het certificaat. Het is toegestaan om verschillende grensovergangen in dezelfde provincie (oblast) op het fytosanitair certificaat te vermelden. Deze grensovergangen dienen wel bestemd te zijn voor een bepaalde vorm van vervoer. (Dus geen combinatie van vliegvelden autowegen en/of spoorwegen)

Het is niet toegestaan om grensovergangen in verschillende provincies op één certificaat te vermelden.

Indien de grensovergang niet bekend is moet altijd The Russian Federation worden ingevuld.
