Reason: Non-compliant physical check **NB: please tend to live animals or have them**
Additional information:

Requirements:

Storage location:

Seals:

- **For live animals only:** an **additional declaration** can be accepted by email if the original is presented within four weeks of the date of this letter. Send the email before ... **to the NVWA email address above.**
Send the original to the (postal) address below.
- Send **an additional declaration (original version)** to the (postal) address below.
- The submission of a **new, original certificate** instead of an additional declaration will result in the veterinary checks being conducted based on this new certificate. The time limit for this is within four weeks of the date of this letter. The number of the original certificate that was initially submitted should be stated on the new certificate. The original certificate initially submitted is invalidated and will be returned to the presenter upon written request.

Submit the original before:
to (postal) address

Failure to submit the requested documents before the stipulated time limit means that the document check will be signed off as non-compliant and the consignment will be rejected.
